HALL COUNTY
BUDGET MESSAGE

The fiscal policy for the County of Hall for the budget year 2024/2025 was conservative in nature. All departments were asked to present budgets holding their non-payroll related expenses equal to or less than the previous year's approved budget. All non union employees received a 3% COLA plus steps if eligible. Employees electing to receive family health insurance coverage pay 20% of the premium and singles pay 5% or 7% (depending on union status). There are four unions representing Hall County employees with varying wage increases. Petty Cash amounts approved by the Hall County Board are as follows: Hall County Inmate Welfare \$8,000, Inmate Trust \$500, Hall County Treasurer \$100 for operations, Hall County Attorney Law Enforcement \$20,000, Hall County Attorney Check Department \$150, Hall County Attorney \$30, Hall County Park \$200, Clerk of District Court \$200, Register of Deeds \$50, County Court \$825, Building Inspector \$200. The county currently has no outstanding capital leases. The County Board has approved a new Courthouse Bond of \$40,000,000.00. Any additional borrowing by the County would be determined by the county's levy limits or the vote of the county's patrons authorizing new borrowing not subject to levy limits.

PUBLIC HEARING 2024 2025
HALL COUNTY BOARD OF COMMISSIONERS
SEPTEMBER 24, 2024

CALL TO ORDER _ Chair Peterson called the meeting to order.

ROLL CALL – ROLL CALL - Present on roll call were Karen Bredthauer, Butch Hurst, Pam Lancaster, Gary Quandt, Ron Peterson, Jane Richardson and Scott Sorensen. Also present were Kim Dugan and County Attorney Martin Klein.

NOTICE OF OPEN MEETING LAW Peterson read the notice for a public meeting subject to the open meetings laws of the State of Nebraska. The requirements for an open meeting are posted on the door to my left and notices are on the front table for your information.

AFFIDAVIT OF PUBLICATION –Ron Peterson stated the affidavit of publication was received.

REQUEST TO RESERVE TIME – Chair Peterson called for anyone regarding a request to reserve time and no one responded. Those requesting to speak will be allowed 3 minutes. The following requested to address the board.

Ron Nitzel	1119 S Pine Street, Grand Island
Sarah Nelson	3905 Mary Lane, Grand Island
Randy Gibson	7256 W Gunther Road, Grand Island
Linda Merrick	2307 Cottonwood Road, Grand Island
John Nowicki	4127 Norseman Avenue Grand Island
Suzanne Shanta Schank	3040 Roselawn Drive, Grand Island

PUBLIC HEARING Sorensen made a motion and Lancaster seconded to open the public hearing. Bredthauer, Hurst, Lancaster, Peterson, Quandt, Richardson and Sorensen all voted yes, and no one voted no. Motion carried.

Ron Nitzel, 1119 S Pine, noted he received the postcard and would like to understand why it shows over \$41 million. If it goes over the \$40 million why would it not go to a vote of the people. He questioned the tax rate.

The bond for the courthouse is included in the total county tax rate.

Quandt noted that the county said it was to be \$40 million and the miscellaneous receipt show \$41,356,000. He said you did not tell the taxpayers the truth. He and Bredthauer did not vote for this. You owe it to the people to be able to vote. This Courthouse is a joke.

Richardson ask where is your documentation? When did we ever say that.

Sarah Nelson interrupted Jane and started shouting at her and mocking her.

Richardson left the meeting and said she does not have to be treated this way would be back after the hearing.

Sorensen said the bond is \$40 million and ask for information.

Kayla Schulte said the amount deposited was over the \$40 million because of the counties high bond rating. Investors were willing to pay a premium price because they know that Hall County will be good for their investments. She showed the documents from D A Davidson, they will have fees. She also showed a copy of the amortization schedule that shows the \$40 million principal that will be paid back. She forwarded the information to the board members.

Linda Merrick ask how the budget can go from \$57 million to \$131 million, Kayla explained that they have to show the total bond for the state auditor it has no taxpayer impact.

Peterson said we only budget the bond payment of \$3 million. Linda also expressed concern that it is for 20 years and why for so long. It was explained that the bond will collect more, and county can pay it off sooner. Linda expressed concern that Nebraska has the highest taxes. The county needs to live in the budget.

Quandt noted that people at the Grand Generation Center are not happy.

Sarah Nelson -She questioned how much Hornaday is taxed, Chief and Case. What are these billion-dollar companies paying. They are not paying their fair share of taxes to operate here. She ask if we have that amount. She was told that the information can be found on the GIS system. She said she would like to see the state fair pass an audit. She noted the board needs to brush up on the State Constitution regarding indigenous land rights.

John Nowicki said you have been sitting here for 10 years and nothing has been done. He ask how much money has been spent on the Courthouse in the last 10 years and nothing has been done. Now they say the Courthouse is worn out. There were new windows, a new HVAC system, sprinkler system and fire escapes. You have been wasting money and nothing has not been done in 10 years. Do you know what the cost of building would have been 10 years ago compared to today. You wasted the opportunity. Now you want to raise taxes and have a bond issue. You need to finish things up and quit arguing among each other You let judges come in and tell you what they want. Where are the specs. You need to do a better job and think about what you have spent on the Courthouse. It could have been done 10 years ago.

Tom Hansen 3207 Homestead Drive He said he was looking at the inheritance tax budget \$1 million is there and now it is \$13 or \$14 million. Could it be used on the Courthouse to reduce it to \$30 million. Why is it built up so high? Why not use the \$10 million and pay down the Courthouse cost.

Peterson said the legislature has made several attempts to eliminate the inheritance tax. Also, the county uses it for reserves, the state auditor and our accounting firm recommends having sufficient reserves in case valuations would drop.

Sorensen said he has been here for 3 years and was here during COVID. During that time the federal government gave us CARES and ARPA dollars. We have spent \$12 million dollars on projects that had been set aside for years and we could spend another \$10 million on other projects that are needed if we wanted to spend those dollars. He does not like to call it a rainy-day fund but we could have depleted that fund.

Mr. Hansen that is not the way to do business

Quandt stated there is the inheritance fund and we have 25% set aside for reserves. The money is just sitting there.

Bredthauer said she has been here 8 years and every year they say they are going to do something with the inheritance tax. They have changed some of percentages that have to be paid for inheritance tax but has not seen it go away. In her opinion it will not go away anytime soon.

Randy Gibson said that over time property values will rise, and they may dip, but looking at his taxes over the last 15 years inflation is at 50% but his valuation has gone up 250%. He likes his property to be worth more, but the board can lower the taxes. He works to try and get taxes down and the state has the property tax credit, but the county is taking it back. You hear on the news people's credit cards are maxed out they have to pay more for fuel and at the grocery store and are having a hard time to make ends meet. You know they need a new facility but there are other facilities that could be used. He said he is asking the board to open their minds and have some concern for the citizens in this county.

Sarah Nelson ask is there was any consideration for the principal building.

Quandt said they all looked at the building and Bredthauer said the rest of the board voted it down.

Sarah said there is security, the best climate control in the city and a mail facility, so they would not have to have other services and could get notices to people on time. She said you need to consider that building. It is an asset to Grand Island and only is being used for girls wrestling. Why was it bought in the first place, that is taxation without representation

Sorensen said the entire board looked at that building and the engineers and architects we were talking too said the HVAC system would need a \$11 million dollar renovation, and \$6 million dollar purchase price and at least \$50 million in renovations the price tag on that building was estimated at \$70 or \$75 million dollars.

Bredthauer said when the architects looked at the building, they said the ceilings were too low and they would have to take out all of the heating system to raise the ceilings but she could not find anywhere in the state's recommendation's on the ceiling height. DavisDesign were the architects.

Sarah Nelson said the board is lying. Ask about the minutes of the board were from 2022 the minutes are there.

Peterson noted some of the things that have been addressed are the city's responsibilities and not the county. The county does not have anything to do with TIF.

John, Sarah and others all making comments at the same time . Sarah said she would be a liaison and would be happy to make sure we are working together as a community. There could be a trade for goods and services.

Ron Nitzel said he called the state and because the assessor raised the values our property insurance has gone up, all insurance has gone up.

Suzanne Shanta Schank said she is a landlord, and she watches the tenants struggle. The wages are a concern. Some people must leave Hall County when they are faced with the increases. Most people do not get raises and some may only get 50 cents a year. Utilities and other items always go up some may have to migrate somewhere else if it gets too expensive to live here. Don't forget the people that are working.

Quandt ask if she must raise her rent. Quandt said seniors are forced to leave Grand Island because it is too expensive.

Bredthauer said people are getting behind on their rent and will have move evictions. The landlords have to do the increases.

Linda Merrick questioned the land owned by the schools and why it is not being used. She noted the \$87 million dollars for TIF you cannot keep giving it away.

Peterson said there are a number of properties that are exempt, and he suggested to contact the legislature asking to address this. The TIF properties are issued by the city they approve them. He noted an article in the paper about the new life district. It was questioned why the mall was torn down and that is not Hall County.

Sarah Nelson said they need a liaison to work on how it can be resolved.

Randy Gibson said because of the taxes people are leaving. He noted he sees Nebraska plates in Colorado and ask why they were there. He was told a company sold all of their holding in Nebraska and moved to Colorado. How can it be cheaper in Colorado. Peterson said property taxes are not cheaper because they have sales tax because of tourists. The legislature feels betrayed looking at caps on local spending we want to keep control on what we have but if we push past where they feel that we should be will lose our freedom.

Peterson said legislation has been passed.

Randy ask if just the architect wants a new building he would not get his name on a plaque for renovations. You need to treat this like a business. Ask some local contractors what you want in the principal building and you would get a more accurate idea.

Quandt said the board voted on the location and the judges and the architects put it together. It started that we needed courtrooms and parking and now there is a 40 foot awning on the building, look at other buildings there are no awnings except the county attorney building. There is no efficiency in this building. There are two of us that have a construction background. This is a joke. He noted the Clerk of the District Court is on the first floor and there is one courtroom in the basement and two on another floor and one in the Courthouse they will be running all over. It is the worst building that has ever been designed. They need to do something and do it right. There will be one courtroom in the Courthouse and the rest of the space will be used for storage and offices.

John Nowicki ask why they are letting the judges design the building. There should be some specs on the building you are just spending money foolishly. You cannot get along you need to get this done. There are no plans and you have \$40 million dollars you need to get it done. This is on your shoulders tell the judges to stay away and make the decisions you need to move on and quit wasting money. With the increase in taxes he has to raise his prices. You can't make decisions. You need to make it happen

Sarah Nelson ask if this could be brought back to the table.

Bredthauer said look how this board has voted. The architect will get 4 million dollars then there is the construction manager at risk that will be paid. Karien said to look at the vote.

Quandt said they borrowed the money a month ago and will not start construction until next June.

Sorensen said we have a 3-story courthouse with a basement and there have been plenty of designs. It was within the rights of the county board to do this, it was voted on and 5 members voted to move forward. We have a democratic process and have representative to make these decisions. Everyone may not have all of the information that is needed we have to provide what the county needs. We did spend money on the old courthouse and there is a lot of nostalgia on this board but there was a majority vote to stay downtown. There were 4 or 5 sets of plans and they went back to Plan A to connect the buildings and expand the courtrooms. They are not getting everything they want and there were compromises. The older buildings, DHHS and the old jail will be demolished and there will be additional parking spaces.

Ron Nitzel ask why the judges cannot park across the street he suggested putting a modular on the side.

Sarah Nelson said it is clear people do not want this if you are sure it will pass bring it to a vote. Will the board keep any of the other structures.

Sarah Nelson, John Nowicki and Ron Nitzel all making comments.

Hurst said he wanted to move it out by the jail, but he could not get a second to his motion. People did not want to move it from downtown

Sarah Nelson can it come back to the table.

Peterson said the bonds have been issued it is moving forward.

Bredthauer said the architects came back with a recommendation that the land by the jail was too low and if they would ever have to add on to the jail there would not be room to add another wing. The jail was built so it could be expanded and would not have to be relocated.

Chair Peterson called for any additional comments.

Linda Merrick ask if the board will keep to that amount.

Sorensen said the construction manager at risk will have set price. Jane, Ron, Loren, and Craig Lewis took quotes from construction managers and recommended to go with Chief. They felt this was the best way to go.

Bredthauer ask about the change order will be held to the \$40 million. She said they wanted to let the public see the plans and it was voted down.

John Nowicki ask about the extra things that can be changed the CMR can change things want to make sure there is no waste. Concern on wasteful spending.

Quandt said Pam and Jane on the committee Ron said that Pam is not on the building committee.

Peterson said there are no final decisions that have been made the committee will meet once a month and bring it back to the board.

Sorensen said the board meets every two weeks and under public comment they can address the board. Davis Design has been here every month. There was no update at the last meeting because they are waiting on Chief to get an estimate. They are also working with DHHS to get them moved.

The money is invested at over 5.4% and borrowed at 3%

Lancaster said the bonds were sold early because taxes do not come in evenly it was a timing issue, and they worked with DA Davidson on the timing issues for the funds.

Lancaster said this was a financial decision the process was that they used would be able to accomplish this for less than half it would cost to relocate the courthouse. You can argue about this but does not get us anywhere. We hired professionals to do this.

She explained that when the jail was built the core facilities like the kitchen and booking were larger than needed, because it was better to add it at that time because of cost, but they would be able to add more space for beds. They have worked hard to find some consensus and voted because they felt that this was the most cost-efficient way. There will be more security in the new addition. It would have been great to have new building, but it was about what was plausible for the county. If you look back 10 years, there was an attempt to improve the courthouse. Things are tough but comments needed clarification.

Ron Nitzel ask if it will look like the old building and the new building will work together.

Lancaster said when it is completed the community will be satisfied. The awning was to address inclement weather. You hire architects that have experience. Wanted to explain why the bonds were sold early. She also said the plans must be approved by the state. It was voted on to add an addition. The courthouse it is beautiful but there is a lot of wasted space have deal with what is there. We have to find a way to address the concerns.

Sarah it is done why are we still here can the people what they want can do bring the bond down.

Ron cannot bring it to a vote, the bonds have been issued. you do have a voice you can run for the county board

Bredthauer said to build a smaller building and don't use all the money. She said the architecture firm has never build a courthouse.

Questions ask if there will be bullet proof glass. Do not know Quandt that was a question on the principal building.

Quandt said if we would have built it ten years ago it would have been too small and would have to do it again the courtrooms would have been to small. It needs to be done right so it will last 50 years. The judges and the architects are doing the plans. The board decided to leave it downtown.

It was ask when it is paid off the levy will stop.

Chair Peterson called for anyone that would like to speak and no one responded.

Sorensen made a motion and Lancaster seconded to close the public hearing. Bredthauer, Hurst, Lancaster, Peterson, Quandt, and Sorensen all voted yes, and no one voted no. Richardson was not present for the vote. Motion carried.

Lancaster made a motion and Richardson seconded to approve Resolution #24-036. Kayla Schulte read the resolution in full. She called for questions.

Quandt noted that the total tax dollars per \$100,000 went up \$20.04 for this year and we have the bond money now. He questioned if the board was going to move the \$4million dollars from inheritance fund.

Kayla said that was the temporary funding to cover the courthouse expenses. Kayla checked the budget it was budgeted if it was needed rather than having to do a budget amendment. The board does not have to move it if it is not needed. The transfers do not automatically happen once the budget is approved. They pulled up the levy sheet and put the \$1,500,686.13 to lower the levy.

Quandt said we have the bond money he wants to make the levy the same as last year. we have the money. We need to give the taxpayers a break we have had people show up and they are unhappy we have an opportunity to do something. We used the \$819,000 from the keno funds.

Quandt made a motion and Bredthauer seconded to move the \$1.5 million from inheritance fund to lower the levy to the same as last year.

Sorensen ask if he is prepared for next year and if the levy goes up. Since he has been here, he has not been of raising the levy.

Quandt said we will have casino funds next year if we need the money. This is the year you can find out who is the politician or the representative.

The vote on the motion to use the \$1.5 from inheritance fund was taken. Bredthauer, Quandt and Sorensen voted yes and Hurst, Lancaster, Peterson and Richardson voted no. Motion failed.

Lancaster made a motion and Richardson seconded to approve Resolution 24-036 a resolution setting the property tax request for Hall County. Hurst, Lancaster, Peterson, Richardson and Sorensen all voted yes and Bredthauer and Quandt voted no. Motion carried.

Lancaster made a motion and Richardson seconded to approve Resolution 24-035 a resolution for the adoption and appropriations for the Hall County budget. Hurst, Lancaster, Peterson, Richardson and Sorensen all voted yes and Bredthauer and Quandt voted no. Motion carried.

10:14 a.m. Adjourned the public hearing for the Hall County Budget.
