HALL COUNTY
BUDGET MESSAGE

The fiscal policy for the County of Hall for the budget year 2026/2027 was conservative in nature. All departments were asked to present budgets holding their non-payroll related expenses equal to or less than the previous year's approved budget. All non union employees received a 3% COLA plus steps if eligible. Employees electing to receive family health insurance coverage pay 20% of the premium and singles pay 5% or 7% (depending on union status). There are four unions representing Hall County employees with varying wage increases. Petty Cash amounts approved by the Hall County Board are as follows: Hall County Inmate Welfare \$8,000, Hall County Treasurer \$100 for operations, Hall County Attorney Law Enforcement \$20,000, Hall County Attorney Check Department \$150, Hall County Attorney \$30, Hall County Park \$200, Clerk of District Court \$200, Register of Deeds \$50, County Court \$825, Building Inspector \$200 and Sheriff \$200. The county currently has no outstanding capital leases. The County Board approved a new Courthouse Bond of \$40,000,000.00 in 2024. Any additional borrowing by the County would be determined by the county's levy limits or the vote of the county's patrons authorizing new borrowing not subject to levy limits.

CALL TO ORDER Chair Peterson called the meeting to order.

NOTICE OF OPEN MEETING LAW-Chair Peterson read the notice of open meeting law

VERIFY AFFIDAVIT OF PUBLICATION the affidavit of publication was received.

PUBLIC PARTICIPATION-Chair Peterson called for public participation, and no one responded.

Peterson suggested to take item #4 first in case it would require changes to the budget.

DISCUSSION AND POSSIBLE ACTION TO AMEND THE COUNTY BUDGET –
Bredthauer requested to add this item because of some concerns from Stuhr Museum. They are requesting an addition \$20,000.00 from the county to address concerns on shortfalls for wages. She suggested they could use funds from miscellaneous general so it would not affect the rest of the budget numbers.

Peterson suggested continuing the current monthly amount now and see where they are at the end of the year.

Discussion was held and there was a shortfall. Lancaster noted there was a shortfall last year and this year. Stuhr reported that the salaries were a concern.

Lancaster suggested looking at the salary numbers and benefits. They have suffered because of the minimum wage increase. Suggested to make the salaries whole at the end of the year.

Bredthauer said the salary numbers would be more and they felt the additional \$20,000 would be more helpful at the front end of the budget instead of at the end.

Bredthauer made a motion and Lancaster seconded to approve an additional \$20,000.00 from miscellaneous general for Stuhr Museum.

Hurst noted that this continues to go up if we make an exception for Stuhr where you draw the line on others that make funding requests.

Lancaster noted that the people voted to fund Stuhr Museum with a tax rate. The other agencies are not the county's responsibility. The minimum wage has affected all nonprofit organizations.

Discussion was held on the amount they have received and Kayla noted it was \$900,000 for several years and it was increased to \$975,000 for the last couple of years.

Sorensen said he was ask why Stuhr receives funds it is listed on the tax statement. Discussion was held and Stuhr did have its own levy. There is an agreement with Stuhr Museum.

Bredthauer read information regarding Stuhr Museum and in 2005 there was another vote on Stuhr Museum to set the levy at a certain rate.

Bredthauer amended her motion to fund Stuhr Museum up to \$20,000.00 for salaries and Lancaster seconded it.

The vote on the motion was taken. Bredthauer, Lancaster, Peterson and Quandt all voted yes and Hurst and Sorensen voted no. Motion carried.

He said that the county needs \$3 million to make the bond payment and the county will collect over \$4 million the county wants to pay the bond off early, but interest rates are going up and we did not use all of the gambling dollars and set some off to the side. People are hurting, gas is high, the what the governor and the legislature has done with budget is not right.

Peterson said we used what we collected from the gambling dollars.

Quandt said farmers are paying more landlords are affected and people cannot stay in their own homes. The government can't continue to do what they are doing. Valuations continue to go up. The taxpayers are on the short end of the stick.

Rams top rankings as a Super Bowl LX team misses top five

8. **Chicago Bears** (R): "I want to have the highest winning percentage, which happens to be the 2013 Denver Broncos." HC Ben Johnson told The Athletic last month that Denver winning led Denver to win 17.6 points per game, roughly 50% more than the 2013 Bears, before it managed to win a National Football League title. Eye on the ball coach, maybe not this time around.
