

IN THE COUNTY COURT OF DAKOTA COUNTY, NEBRASKA

In the Matter of the Estate of

FINAL DECREE

Dallas P. Wetzel, Deceased

This matter came on for hearing before this Court on the 1st day of December, 1950, on the petition dated November 21st, 1950 of Elizabeth Wetzel, executrix of the last will and testament of Dallas P. Wetzel, deceased for final settlement herein; determination of heirs, instructions relative to distribution, discharge, and other relief, pursuant to the order for hearing heretofore made and entered herein on November 22, 1950, and subsequent order for continuance. The said executrix appeared in person and by her attorneys, Warner & Warner. There were no other appearances. Upon consideration of said petition, the last will and testament of decedent, the other files and records of the Court herein, and the testimony and other evidence adduced at said hearing, it appeared to the Court and the Court hereby finds as follows:

I

Notice of said hearing has been given to all persons interested herein as provided by law and pursuant to the order of this Court heretofore made and entered herein on November 22, 1950. This Court has jurisdiction of these proceedings and of all persons interested herein.

II

Notice to the creditors of said estate has been given as required by law and by the order of this Court made and entered herein. The time allowed creditors in which to file claims has expired and the filing of further claims against said estate has been barred by the order of this Court heretofore made and entered herein. No claims have been filed herein. The funeral expense of decedent and all of his debts have been paid by the executrix from other sources. The surviving widow of the decedent, Elizabeth Wetzel, was the only dependent of the decedent at the time of his death and since she is the sole beneficiary under said will there is no need to provide any allowance for support or otherwise from the assets of said estate. The income of said estate has been insufficient to require the filing of a federal income tax return and said estate is insufficient in value to be subject to the payment of an estate tax under the laws of the United States of America.
